WWCC

To ensure the department meets its legislative and common-law duty to keep all its students safe, all adult students, before attending, must undergo and present a current working with children check.
If a person already has a WWCC they will need to provide the SRN number.
Anyone needing a WWCC can apply for a volunteer one themselves online www.dcsiscreening.sa.gov.au or if assistance is required an appointment can be made with Lisa (library). There is no cost for this clearance.
