

ENROLMENT ENQUIRY FORM

DATE:

If you are over 18 and have not been enrolled in a school for 6 months or more, The Department for Education Enrolment Policy states that you will not be able to be enrolled at NASC unless you have a current Working with Children Check (WWCC). A WWCC Volunteer application will be completed during your enrolment interview. This requires you to bring 100 points of identification and a list of where you have lived over the last ten years including dates lived at each location. A Volunteer WWCC is unable to be used for employment purposes, should you require one for employment purposes the cost would be \$63.25.

Please note:

- If you already have a current WWCC you will need to bring the unique number to your enrolment interview.
- A Department for Communities and Social Inclusion (DCSI) Clearance will be accepted until it expires (3 years from issue date), please bring copy of document
- Proof of identity and residence will be required at enrolment interview regardless of whether a WWCC is required.
